Comments by the Employee:

- Strived to be a role model in the school for teachers and students especially in the areas of punctuality and positive thinking and attitudes.
- I have worked towards making the school a green school by initiating to plant flowers and plants that I collected from various places.
- Always believed and worked towards Community Service.
- I have commitment to work in one of the remotest of the schools because I want to give my best to pull the disadvantaged children. I believe that service to society is service to God.
