Employment history

I graduated in the year 2009 in the course of Advertising and Propaganda and then started my career in the area, I worked in two big advertising agency, serving customers like Samsung and Unilever. Then I worked in the advertising center of the commercial area of a pay TV.

In August 2017 I started my trip around the world, I went through 12 countries and 60 cities in a year. I spent almost four months in India, parents that I fell in love with and worked on promoting “Yoga courses in India” online, creating content for social media.

In recent years I've been doing translation work.
