Summary

I am a Passionate English to Korean translator with 4+ years crafting accurate, culturally-sensitive translations. Skilled in CAT tools (Trados, memoQ) & research to bridge linguistic gaps seamlessly. Proven track record meeting deadlines & exceeding client expectations. Seeking to leverage expertise in legal & medical and more domains for exciting e-commerce opportunities.

Education

Bachelor of Art (Linguistics) 2012-2016

Michigan State University, USA

Masters of Art (Translation and Interpretation Studies) 2017-2019

Leibniz University Hannover, Germany

Experience

Content Writer & Professional Translator 2019-2021

Marienhospital Stuttgart,

- Medical Interpreter: I help patients and healthcare providers communicate by assuring comprehension and confidence.
- Medical Translator: I accurately translate critical healthcare documents, making information available to all patients.

Freelance Content Writer German 2021-2022

Schunk Group,

- As a professional German freelance content writer and translator at Schunk Group Tech, I provide valuable content creation and translation services that effectively communicate the company's cutting-edge digital transformation solutions and services

Language Specialist & Chatbot Trainer 2022-2023

GMV Company,

- As a technical Content Writer, I create clear and concise documentation explaining the features and benefits of our AI-powered solutions, catering to both medical and non-medical audiences.
- As a translator, I based on translating technical documents and content related to GMV AI-powered solutions into multiple languages, expanding our medical global reach.
