

English-Malay Freelance Translator

BAITUL UMIN BINTI ZAKARIA

- I am a native Malay speaker that speak English as my second language.
- I graduated from Universiti Sains Malaysia with Bachelor's Degree in Mineral Resources Engineering
- My working experience cover mostly in technical, machines and service purchase.
- Thus, I can translate for technical specification catalogues or manuals and legal purchase document.
- However, I do find passion in education, social and entertainment.
