EXPERIENCES

2020 - PRESENT

vocagarden.com, Remote - *Translator*

- Almost all of the input at the website is created by me. I have been adding words, words' definitions, and their examples.
- As this job is both remote and doesn't take much time, it won't be a problem for my job.

2020 - PRESENT

Freelance, Remote - *Translator*

- I have been working as a freelance translator for two years. Now I want to jump into official translation world, and specialize in translating.

EDUCATION

2019 - 2022

İnönü University, Malatya, Turkey - *Dropped out*

I was studying at the department of English Language Teaching, but I dropped out of school to be a translator. I will start Interpreting department in a few months.

SKILLS

- I have been using Memsorce Translating System
- I am able to adopt quickly any translating system.
- I am able to think creatively, and apply this to my job.
